

Response Form

National Park Service
U.S. Department of the Interior

Biscayne National Park
Florida

Please provide us with feedback on the alternatives for the Biscayne National Park *General Management Plan*. If you need more space, feel free to attach additional pages to this form. If you prefer, you may comment via email at biscayne_gmp_planning@nps.gov. Your responses will be most helpful if you go beyond telling us you liked or disliked an alternative – tell us why you or like or dislike an alternative. **Please mail your response as soon as possible but no later than February 6th, 2004.**

Have we presented a full range of alternatives or are there other alternative concepts that we have not considered? Please describe.

What do you like or dislike about the concept for each alternative? Could any of these concepts be improved? If so, how?

Additional Comments

Please be aware that due to public disclosure requirements, the National Park Service, if requested, is required to make the names and addresses of commentors public. However, individual respondents may request that we withhold their name and address from the public record which we will honor to the extent allowable by law. If you wish to withhold your name and or/address, you must state this prominently at the beginning of your comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.
